# The Way Dogs Do

A biting, hilarious, all-out solo performance with comic role-changes at top speed driving a fast-moving plot... with dance that brings out man's animal side (whatever that looks like)... with big-screen videos starring a wanna-be James Bond in Vienna's Augarten Park, swimming in the kiddies' pool – in a tux with water wings. What the hell – **an evening full of surprises!**

## Reviews

The premiere was a smash hit! Stagecraft dead-on! Dostal expertly worked the line between great entertainment and more serious meaning. *Niederösterreichische Nachrichten*

Dostal redefines 'modern expressive dance' – leaving Nurejew in the dust. *Kurier*
